Important Details

Agents must be at street level or below to be eligible.

Program tier qualifications are based on net premium production, commission splits, withdrawals, free-look cancellations, reversals, surrenders, and charge-backs.

As a reminder, all sales must be suitable for the applicant based on his/her financial situation & objectives.

It is each agent's responsibility to verify that additional commission payments from this program are allowed by their firm and to provide all applicable client disclosures which may be necessary under state or federal regulations.

Payments will be made on a quarterly basis after threshold is reached.

NexAnnuity/Ohio State Life (OSL) reserves the right to update, revise and/or discontinue this compensation program at any time. For calculation purposes, agent hierarchy levels of MGA (Street Level) only will be used for calculating all commission enhancement payments. NexAnnuity/OSL only pays on NexCompounder FIA 7 and 10-year ages 0-85.
